clause 21(a). Clause 21 provides for the appointment of Area Rationing Authorities to grant coupons in areas over which they have jurisdiction. Under clause 20 Provincial Rationing Authorities have been appointed to issue instructions and generally supervise the work of the Area Rationing Authorities. Under the present amendment (clause 21(a)) Provincial Governments with the previous approval of the Central Government may authorise their Provincial Rationing Authority to exercise all or any of the functions of the Area Rationing Authority under this order in respect of specified vehicles. The other amendments are consequential.

Sub-clause (4)(a) is, by another notification added to clause 9. This empowers the Provincial Rationing Authority in cases where a person in the performance of essential professional business or official duties requires petrol in a place other than that in which he ordinarily resides, to validate coupons already issued to him so as to authorise the supply in any such other place of petrol to such person for use in a vehicle other than that in respect of which the coupons were issued.

A copy of the notification specifying the Native States with which the Government of India have entered into reciprocity will ~~also~~ sent by the Residency be ~~sent~~ forwarded to the Traffic Board for information.

These amendments will if approved be incorporated in the Mysore Motor Spirit Rationing Order with suitabl modifications.
